**The All NEW MaxTorque™ “SS” Trimmer
BCZ2650SS – “Short Shaft”**

Because one size does not fit all!

RedMax has done it again by introducing the all new Professional-Commercial **MaxTorque™** “SS” trimmer. The BCZ2650SS is another of the many new **MaxPro™** products being introduced in 2009. This all new trimmer is **7 inches** shorter providing more users with the power, comfort, control and durability only RedMax can deliver. It doesn't matter if you are 5' 3” or 6'1” TALL, only RedMax offers you a trimmer that fits you like a glove. All **MaxTorque™** trimmers provide **44%** more cutting torque with **20%** faster acceleration and come equipped with an upgraded heavy duty 4-bearing extended life gear case for increased durability. These **MaxTorque™** trimmers have an unmatched cutting power range from 8,000 RPM all the way up to 11,000 RPM and leave other trimmers standing still and stalled in the grass. Equipped with the new **MaxClean™** air filtration system, **MaxFlex™** trigger and new **MaxComfort™** control grips these trimmers will soon be the new standard of pro's everywhere. All models are equipped with the new **MaxSpeed™** Loader twist and load trimmer head and **green and clean** Strato-Charged engines which boast up to 20% better fuel economy than a standard 2-stroke engine. The new MaxTorque and “SS” trimmers are available now at your local RedMax dealer. Visit www.redmax.com for more information.
